

Has the Great British Sewing Bee revived your interest in Dressmaking? Want to get back into sewing, new to sewing, join our own U3A Dressmaking version.

Work on your own project, at your own speed. No more struggling with trying to do your own measurements and trying to resolve those awkward fitting issues on your own. Our friendly, cheerful group of sewers are all at varying levels of skills from beginner to more experienced, but will all help and advise with enthusiasm wherever they can.

We start this year in new premises where we have space and facilities to have a fabric/pattern cutting area, an essential ironing area as well as individual work space for your sewing machine and all of the growing bits and pieces of paraphernalia which all of us sewers seem to accumulate.

For those of you who are beginners or rusty returners to sewing, we will have lots of books, magazines and patterns at group to use as reference or inspiration, and you can check out which tools our more experienced sewers find invaluable, before making any purchases for your own toolkit.

The group meets on the first and third Wednesday of each month starting on 7th September at the Wesley Centre, Wesley Avenue, Sandbach. CW11 1DP, from 10am to 3pm. Members can attend for the full day or for any part of it to suit their plans or project.

We will also have our own tea and coffee making facility, so on those days where you can't spend a whole day sewing or have just got a little bit of finishing off to do, call in anyway, get a little help, give a little help, have a coffee and share with the group how your project is going.

The cost will be £2.00 per session – whether for a full or part day. A small additional charge will be made for refreshments.

So do come along to the enrolment day on the 31st August and sign up, become a Bee.
