#### Friday 18th May 2018

We depart Cheshire and head south towards London. Just before lunch we will arrive at Waddesdon Manor. Here we enjoy entry to this country house and gardens built in the 1870s for Baron Ferdinand de Rothschild to display his art treasures and to entertain fashionable guests. The house is built in the style of a French Renaissance chateau and is full of character, charm and history. Later we continue onwards to London and to our centrally located hotel in the Royal Borough of Greenwich.

#### Saturday 19th May 2018

After a full English breakfast, walk the short distance to the Cutty Sark. Marvel at this amazing ship, designed by Hercules Linton, which first set sail in 1869. Discover its fascinating history and see what life was like on board. Afterwards meet your local walking guide and further indulge your nautical interest on a lovely tour of Greenwich ending at the National Maritime Museum. Later this afternoon you have free time to explore at leisure. (B)

#### Sunday 20th May 2018

After breakfast enjoy a scenic City Cruise with commentary on the River Thames departing from Greenwich Pier and sailing up to Westminster Pier. See the majesty of the city emerge as you pass Canary Wharf and the Tower of London. Sail under fabulous bridges: Tower Bridge, London Bridge, Blackfriars Bridge and on towards Big Ben and the Houses of Parliament. Here you meet your London guide who will show you the many famous and historical buildings in and around this location. Enjoy time at leisure later this afternoon. (B)

#### Monday 21st May 2018

This morning after breakfast we depart Greenwich and drive west to the royal town of Windsor, where there will be free time to visit the Castle (own expense). Early afternoon we continue our journey north back to Sandbach, arriving early evening. (B)
